Reader's Opinions

Let me just start off by refuting the official summary, which states that "Gay men in turn-of-the-century Paris wore green carnations in their buttonholes." Wilde wore a green carnation and encouraged his devotees to wear them on at least one occasion, but it was never a widespread practice and its connotations with homosexuality were...

A very beautifully written book, but at times I felt it had no plot line. Well, thats what I get for reading books from the 1800s.
