

PILFERED

Her entire existence was a lie... Gabriella Whitten has her whole future already planned: break out of the shadow of her overprotective parents, graduate from NYU with honors, and most of all- don't get caught stealing her roommate's shoes. After an exhausting week of studying, she is pressured to spend a night out on the town. No books, no problem. On the...

Reader's Opinions

Amazing as I expected and diffidently something I will revisit from time to time... It has its surprise and twist, torture from a source you would never believe could be possible hold you at the edge pf your...
