

# WOLF-SPEAKER

"Besides, who needs humans? All they do is slow me down and screech when they see my friends." A threatened pack of wolves summon the only human they know who can understand their messages of impending danger -- orphaned Daine. Something is not right in the once-peaceful Dunlath Valley. Humans are cutting down trees and driving...

## Peek Inside the Book

You come from a race that spends more time murdering your own kind than do all the immortals put together, yet you insist you are better than us. Tamora Pierce, Wolf-Speaker //

## Reader's Opinions

If I werent writing a review for every single book this year, this would definitely be one that I would skip. This is a clear transition book and I really dont have much to say about it. I liked it; I didnt love it. I never felt annoyed, bored, moved, or enthusiastic about this book. I listened to it while running errands and doing...

This one held up less well for me. It's not bad, it's just sort of... uninteresting? I feel like it's this series' "Woman who Rides Like a Man." I like a lot of the elements, but something doesn't come together. I do like how morality is treated in this one. And I like Maura. But I almost feel...
