

MANNERS & MUTINY

If one must flirt...flirt with danger. Lessons in the art of espionage aboard Mademoiselle Geraldine's floating dirigible have become tedious without Sophronia's sootie Soap nearby. She would rather thwart dastardly Picklemen, yet her concerns about their wicked intentions are ignored. Who can she trust? Royal werewolf dewan? Stylish vampire Lord Akeldama? Only one thing is certain: a large-scale plot is under way. Sophronia must be ready to save her friends, her school, and all of London from disaster.

Reader's Opinions

Can there please be more Felix Mercey action! I do not fancy Soap all that much!!!

[5 Stars] Loved it. Can't say it was entirely perfect, but I love everything Gail Carriger writes. Can't wait to read what she has in store for us next!
