Peek Inside the Book

If you do it in the bookies, it's a bet. . . . If you pay some 23-year-old in an Armani suit two hundred grand to go to the window for you, it's a derivative. Paul Murray, The Mark and the Void //

People don't want the truth,' he says, waving a hand at the streets around us. 'They want better-quality lies. High definition lies on fifty-inch screens. Paul Murray, The Mark and the Void //

Reader's Opinions

Most 'funny' novels are lost on me. More often than not they produce eye rolls rather than laughs. The Mark and the Void is the exception. The comedic style herein is equal parts British droll, groan worthy dad jokes, and witty, intelligent television sitcom. Though it sounds like it'd be lumped with other 'funny' novels, for some reason...
