

THE TOMBS OF EDEN

In southeast Turkey where the heads of the four main rivers once met, a magnificent temple created 14,000 years ago is discovered beneath the desert floor. Believed to have been created by lost technology, it is quickly determined by a team of archeologists to be the centerpiece of Eden, a once illustrious civilization and the cradle of mankind. But what...

Reader's Opinions

Alyssa Moore is an archaeologist who is trying to complete her father's quest to find the Garden of Eden ... and a whole lot of people want to stop her. Set in the Turkish desert, "The Tombs of Eden" is...

Once again, the Vatican is pitted against a madman when archaeologists discover what they think is the original Garden of Eden. Add some booby traps and a herd of primeval reptiles who have survived for millennia in total darkness, and a definite challenge emerges. Is it truly Eden, and, if so, can the site be stabilized and documented?...
