## Reader's Opinions

I loved this book as a teen. I think the reason is that it begins with an adult returning to purchase a home remembered from her past. It continues to reminisce about the summer she spent there as a child. In my youth I fantasized about how things would be when I grew up. It often looked like this woman's...

love this author. discovered her when I had the ambition to read all the titles in the children's section of the library and started at A. love the Margery Gill illustrations about as much as the books.
