

THE MOON

So begins Robert Louis Stevenson's famous poem The Moon. Now Tracey Campbell Pearson takes readers on an illustrative late-night adventure set to this text in which we follow not only the moon as it shines on the creatures...

Reader's Opinions

I think this is a great, easy-to-read book that's perfect for any elementary classroom.

This is a lovely poem made into a picture book. Great for a bedtime story or a poetry-themed story time. The poem is about the moon and everything under it, while the watercolor and ink illustrations include scenes of a family settling down for the night.
