

HER DRAGON BILLIONAIRE

Being in the wrong place at the wrong time, plump librarian Eva Walkers witnesses a man being murdered by the Russian mafia. Three months later, the Feds put her in the witness protection program. Reborn with new identity as Eva Smith in a new town, she tries to pick up her life where she had left off. Unfortunately, the vory v zakone...

Reader's Opinions

The prologue and first part of the first chapter offered in the sample suckered me in. The premise was good but the characters were a bit silly.

this was a good book. It was just too short. There was a lot of potential to turn this into a full length novel. I will be looking forward to read more books by this author
