Reader's Opinions

To sum up in three words: Not Enough Pictures. What is a cookbook without a lot of pictures? It's either a collection of recipes that you are meant to follow or food-writing. This is both but not inspiring in either...

This is one of the most used cook books I own. I've made at least 20 recipes from this and all are delicious, economical, and healthy. My favorites are the Ethiopian style lasagna and the injera. This is a great book if your in the mood for something a bit different. All recipes are 100% vegan!
