

PUMPKINS: A STORY FOR A FIELD

This is a story about a field and a man who loved it enough to do something to save it from development. “Based on the author’s personal efforts to protect the land, this story broadcasts a deliberate and timely environmental message that, like the intentionally nameless protagonist, anyone can make a difference. Aglow in harvest tones, Root’s strong watercolor and gouache paintings heighten the story’s magic.”--Booklist

Reader's Opinions

I'm torn on this one. On one hand, I think it is a fun, whimsical story that will make children giggle. On the other hand, though, I feel like the author was trying to make a statement about...
