## Reader's Opinions

This book is epic!!! Mia floppyear (a bunny duh) has to save the forest with Lily and Jess.

This was a great book to read as a very light read. Daisy Meadows is one of my favourite childhood authors and I will never be too old to read her stories. This book had fantastic artwork to go along with the simplistic storyplot. I adore bunnies so much that this made me cheery and get more in the mood for Christmas. What I like most...
