## Reader's Opinions

the magic that wearing glasses gives you, wish i'd had this wonderful book when i was a kid. the American hardcover edition i have has an illustration of Socrates (the dog) wearing a pair of read glasses on the cover and the artist, Gert Bogaerts, is credited on the cover as well.

Cute book. Could be a good book to read prior to talking about shelter/homeless dogs and cats. It could also be something to use if someone just got glasses and is uncomfortable with them! A cute book for K-3.
