## Reader's Opinions

Rich in detail and dripping with intrigue, this novel is a winner!The author explores the culture clash that occurs when Romans move north into lands historically held by the Celts. The story begins with the theft of money, precious gems, and an artifact made of Celtic gold and amber that had been seized by the Roman church. Even as...

The Mystery of the Death Hearth is the first of the Runevision series, written by Jack R. Cotner, whose previous published works include a collection of true and fictional short stories set in Arkansas in the early 1900s.As a lover of historical fiction, I found this novel to be excellent. It is very well written with an interesting...
