

THE FLASH, VOL. 1: MOVE FORWARD

Struck by a bolt of lightning and doused in chemicals, Central City Police scientist Barry Allen was transformed into the fastest man alive. Tapping into the energy field called The Speed Force, he applies a tenacious sense of justice to protect and serve the world as The Flash! The Fastest Man Alive returns to his own monthly series as part of the DC Comics—The New 52 event with the writer/artist team of...

Reader's Opinions

NEW 52 FLASH is GREAT. I know I'm somehow in the minority (and obviously those who don't like it are just crazy), but it's exciting, dramatic, and incredibly illustrated. Just a fun and dynamic story with fleshed out, sympathetic characters. I haven't read all of the Flash. Some very silly Golden Age stuff, most crises and Flash events,...

I liked the art. Several of the revamped Flash mythos were good. But the story fell rather flat for me. It wasn't bad, just not terribly exciting.
