Reader's Opinions

Holly Michelle Jolly is not that keen on Christmas, and was hoping to have a Caribbean Christmas holiday. However when the flight is cancelled she ends up agreeing to a different sort of Christmas. Very sweet Christmas novella set in Edinburgh at Christmas.

A well-written Christmas romance with a lovely, appealing hero called Sean. The main character, Holly, wasn't quite warm enough for me, but having said that the ending came together very nicely and it was a satisfying read!
