

# HAPPY: SIMPLE STEPS TO GET THE MOST OUT OF LIFE

Happiness isn't the too-brief rush that comes from getting something you've wanted—it's the lasting great feeling that comes from becoming someone you want to be. And someone others want to be with, too. No matter where you start, Happy can help you improve your life and permanently alter your happiness set point. Dr. Ian has inspired millions to lose weight. In counseling dieters, Smith learned that while achieving hard-fought and worthy...

## Peek Inside the Book

Imagine a master painting that's never finished...when you can only build on previous work, you become limited by what you can paint...If you are in the midst of painting a forest full of tall trees and hanging vines, it is rather difficult...

## Reader's Opinions

I wish there was two and half stars. I liked the first few chapters, I thought them very useful, the rest was scanned quickly. It said nothing I had read before, and quoted the same books, I have read in other self help books. I learned something though, the reason my husband is happy is because he has a great imagination. He...

Simple read for those on the go that describes the essential morals and traits for living the life that you want. Ian gives nice exercises for you to do by writing...
